

**Contents:**

Exploration, Sociobiology and Conservation of Mushrooms - My experience	<b>N.S. Atri</b>	1-9
Dimensions, diversity and ecology of aquatic mycobiome	<b>K.R. Sridhar</b>	10-23
Studies on the nutritional requirement and <i>in vitro</i> synthesis of mycorrhiza of <i>Cedrus deodara</i> with <i>Rhizopogon himalayensis</i>	<b>Lal Singh, Ashwani Tapwal, J.S. Thakur and T.N. Lakhnupal</b>	24-29
New records of lamellate mushrooms associated with Sal from Shiwaliks, India	<b>Jitender Kumar and N.S. Atri</b>	30-37
New species and new records of <i>Astrosphaeriellaceae</i> from Andaman Islands, India	<b>M. Niranjan and V.V. Sarma</b>	38-42
First Aeromycological Profile of the Mandangad tahsil, Maharashtra, India	<b>V. D. Chavan</b>	43-46
First report of false smut caused by <i>Graphiola phoenicis</i> on Indian wild date ( <i>Phoenix sylvestris</i> ) from India	<b>S., Mahadevakumar, Y.S., Deepika, N., Lakshmidevi and K.N., Amruthesh</b>	47-49
Studies on morphological and molecular identification of <i>Geastrum</i> from Gujarat, India	<b>Ravi S. Patel, Ajit M. Vasava and Kishore S. Rajput</b>	50-54
<i>Asteridiella micheliifolia</i> var. <i>Macrospora</i> var. nov. from Vagamon hills, Kerala, India	<b>Hina Mohamed and Jacob Thomas</b>	55-56
Role of defense enzymes in the induction of host resistance to leaf blight of turmeric ( <i>Curcuma longa</i> L.)	<b>K. S. Shilpashree and M. S. Sharada</b>	57-63
Genus <i>Peniophora</i> from Chamba District in Himachal Pradesh	<b>Poonam, Avneet Pal Singh and Gulpaul Singh Dhingra</b>	64-73
Testing efficacy of different SAR compounds against late blight pathogen on various germplasm lines of potato	<b>Astha and P. S. Sekhon</b>	74-79
<i>Zygosporium chinensis</i> - A new foliicolous species infecting <i>Litchi chinensis</i> in Chhattisgarh, India	<b>Anshu Deep Khalkho, Smriti Bhardwaj, Anurag Dubey, Shikha Jain and Akhila Nand Rai</b>	80-82
Influence of temperature, humidity, and light on the growth and sporulation of <i>Aschersonia aleyrodis</i>	<b>D. N. Bhosale, Y. V. Ingle, D. H. Paithankar and N. S. Satpute</b>	83-88
Toxigenic mycoflora and natural co-occurrence of toxins in red chillies from Jammu and Kashmir	<b>Shallu Samyal and Geeta Sumbali</b>	89-95
A novel fungal species of <i>Spiropes</i> on <i>Glochidion zeylanicum</i> - An important medicinal plant from Jashpur, Chattisgarh, India	<b>Anurag Dubey and Akhila Nand Rai</b>	96-99
A new host record for <i>Dictyoarthrinum sacchari</i> (J.A. Stev.) Damon	<b>Smriti Bhardwaj, Anshu Deep Khalkho, Anurag Dubey and A.N. Rai</b>	100-102
Four polypore species new to Himachal Pradesh	<b>Ramandeep Kaur, Avneet Pal Singh and Gulpaul Singh Dhingra</b>	103-106
Antioxidant Properties of Two Wild Edible Mushrooms from Andhra Pradesh	<b>Isha Sai, and R. Basavarju</b>	107-114
