

Kavaka Vol. 56, 2021

Contents:

Arbuscular mycorrhiza in sustainable agriculture: Prospective and challenges	Rupam Kapoor	1-7
Impact of various cultural parameters for extracellular pectinase production by some <i>Fusarium oxysporum</i> isolates in surface batch broth fermentation	Pinki Tikadar and Bejoysekhar Datta	8-12
Appraisal of native AM fungi in improving the plant productivity, soil health and sequestering soil carbon in agroecosystems	Mahaveer P. Sharma	13-21
Opportunistic yeasts causing onychomycosis among some elderly residents of Rajouri district, J&K (India)	Anjali Sharma and Geeta Sumbali	22-28
Preliminary studies on the domestication of an indigenous strain of <i>Pleurotus cystidiosus</i> collected from the living stem of <i>Lagerstroemia speciosa</i>	Amita, R.C. Upadhyay, M.K. Saini and N.S. Atri	29-35
Understanding the role of some novel components in modulating virulence of necrotrophic fungus <i>Botrytis cinerea</i>	Rupam Kapoor	36-43
<i>Clavariadelphus pakistanicus</i> (Gomphales): A new macrofungal record from India	Uzma Altaf, S.A.J. Hashmi and Yash Pal Sharma	44-46
Human infections caused by plant pathogen fungi: an overview	Harish C. Gugnani, Saroj Mishra and Rajinder Singh Sandhu	47-64
Some new records of lichens from the Goodrical Reserve Forest, Pathanamthitta district of Kerala	Diana Purushothaman, Sanjeeva Nayaka and Jasy Thomas	65-68
Some hyphomycetous fungi from Andhra Pradesh and Telangana, India	C. Manoharachary and D. Nagaraju	69-74
Seasonal distribution and biopotential of endophytic fungi recovered from photosynthetic root of <i>Tinospora cordifolia</i>	Ashish Mishra, Anuj Kumar, Surendra K. Gond, Satish K. Verma, Jitendra Kumar, Dheeraj K. Singh and R.N. Kharwar	75-84
Four new records of family <i>Botryobasidiaceae</i> from Jammu Division (Jammu and Kashmir)	Jyoti Sharma, Avneet Pal Singh and G. S. Dhingra	85-88
Symptomatological studies on almond scab caused by <i>Cladosporium carpophilum</i> in Kashmir, India	Nassreen F. Kacho, Mushtaq A. Bhat, Mohd Hussain, Sabiha Ashraf and Saba Banday	89-91
<i>Pyrenopeziza hunteri</i> : A new report to India	S. Himani and M. Krishnappa	92-93
Diversity of genus <i>Scytinostroma</i> from district Sirmour (Himachal Pradesh)	Ramandeep Kaur, Maninder Kaur, Ellu Ram, Ritu, Avneet Pal Singh and G.S. Dhingra	94-97
Isolation and quantification of biotechnologically important enzymes from <i>Podaxis pistillaris</i> and <i>Termitomyces heimii</i> from Andhra Pradesh	Isha Sai and R. Basavaraju	98-104
Four novel species of <i>Sordariomycetes</i> from Andaman Islands, India	M. Niranjan and V.V. Sarma	105-111
	OBITUARIES	112-114
